

A Simple Song

(Verse)

Just a simple song
For You, my Lord.
One that will lift You up
And take Your name higher and higher.
Lord, I need more of You,
And more of Your Holy Spirit
So, I offer up to You this simple song.

(Chorus)

Oh Lord, may I decrease
So You might increase.
Help me to follow and obey Your every word.
Lord, take my hand and lead me through,
Through Your refining fire,
So, I'll be conformed to the image of Your Son.
