

(Verse 1)

All alone, realizing I'm so far from home.
Full of fear, I no longer feel Your Spirit with me.
I don't know why I walked down this lonely road,
Lord, I need Your grace and mercy
To carry me home.

(Chorus)

I need a visitation from You.
I want to feel Your hand upon my shoulder.
I want to come before You and
See You face to face.
Lord, I need a visitation, a new revelation,
Lord, I need a visitation from You.

(Verse 2)

You're not alone.
Don't you know you're never far from home?
Do not fear, I will never leave you nor forsake you.
Even though you have walked
Down this lonely road,
I will give you grace and mercy,
And carry you home.

(Bridge)

Now I know, that if I confess my sins,
That You are faithful to cleanse
Me of all unrighteousness,
By the power of Your Blood
You've made me white as snow.
By the power of Your Blood
You've made me whole.
