

(Verse 1)

You're feeling all alone,  
In troubles over your head.  
They've even got you believin'  
You'd be better off dead.  
In the morning when you wake up,  
Feel just like you can't go on,  
But your heart keeps on reachin' for something  
to hold to.

And Oh, how you wish so bad,  
That someone would come and release you.  
But, don't you know, the help you need is there  
For you to take it if you want to.  
If only you would,

(Chorus)

Put your heart in the right place,  
Open your heart to receive His word.  
Put your heart in the right place,  
I know you'll rejoice when you've finally heard.

Put Your Heart In The Right Place (2 of 2)

(Verse 2)

The Lord He knows you're beaten,  
He knows how far you've come down.  
But, He's got a plan for you,  
If you'd just let Him be found.  
It's time to open up and let out  
All of that hurt you keep inside.  
Jesus knows what you need,  
Come on and step into the light.

And Oh, how God gives to you,  
The love that you've always dreamed of.  
But, don't you know, His Word is so true,  
'Cause Jesus said, He'll never leave you.  
If only you would,

(Chorus)

Put your heart in the right place,  
Open your heart to receive His word.  
Put your heart in the right place,  
I know you'll rejoice when you've finally heard.
