

Standing At Your Throne (1 of 2)

(Verse )

Worthy is the Lamb, He who was slain,  
Of power and wealth, wisdom and strength.  
To Him alone, I give all honor,  
Honor and glory and praise!

(Chorus)

Standing at Your throne, I will lift my hands.  
At Your throne, I will bow my knee.  
At Your throne, I lay down my will.  
Oh Lord, I am Yours.

Standing at Your throne, I am made complete.  
At Your throne, I am filled with love.  
At Your throne, how my heart is healed.  
Oh Lord, I am Yours.

Standing At Your Throne (2 of 2)

(Bridge)

You have made me righteous,  
You have made me clean.  
You will sanctify me,  
Complete Your work in me.  
Lord with fear and trembling  
Keep salvation clear.  
Lord, how I long for You to appear.

(Chorus)

Standing at Your throne, I will lift my hands.  
At Your throne, I will bow my knee.  
At Your throne, I lay down my will.  
Oh Lord, I am Yours.

Standing at Your throne, I am made complete.  
At Your throne, I am filled with love.  
At Your throne, how my heart is healed.  
Oh Lord, I am Yours.
