

The Precious Blood (1 of 2)

(Verse 1)

Oh, don't you know
Where the Blood of Jesus came from?
From all the hurt and sin
That this world, this world's fallen into.

Oh, how precious is
Is the innocent Blood of Jesus?
Guiltless blood was shed,
Shed by God, through God's redeeming grace.

(Chorus)

He took every sin that you've ever made,
To the cross at Calvary.
And submitted to the will of God,
Just to save your soul.
Don't we all search for a perfect love?

(Last Time Only)

(Well, its been given to you
Through the Blood,
Through the precious Blood of Jesus.)

(Verse 2)

Oh, what freedom is there
In the healing Blood of Jesus?
Freedom to take away
All the weights and burdens upon you.

Oh, what power is there
In the cleansing Blood of Jesus?
Power to wash away
All the stains of guilt and shame on you.

(Sing Chorus again 2X)

(Bridge)

He was wounded, for our transgressions,
He was bruised for our iniquities,
The chastisement of our peace was upon Him,
And by His stripes, we are healed.
