The Precious Blood (1 of 2) - CCLI# 4321495
(Verse 1)
D
        D/E-
                    Α
Oh, don't you know
           E-7
                              D9
                                       Α
Where the Blood of Jesus ca - me from?
              E-7
                       C9
From all the hurt and sin
                                       D9
           G
                                                 Α7
That this world, this world's fallen in - to.
          A/C#
B-
                      D
Oh, how precious is,
        E-7
                     A9
                             D9
                                     Α
Is the innocent Blood of
                            Jesus?
           E-7
                     C9
                                    E-7
D
Guiltless blood was shed, shed by God,
                     Α
                                 A7
Through God's redeeming grace.
(Chorus)
                                    E-
                                         GMaj7
                                                  Asus
                                                        Α
O, He took ev'ry sin that you've ever
                                          made
        Α
                   A7
                           D
To the Cross at Calvary,
                E-7
                           C9 (b5)
       D
And submitted to the will of God
         E- Gmaj7 Asus
                            Α
Just to save your soul.
                           E - 7
D
Don't we all search for a perfect love?
(Repeat Verse and Chorus for Solos, then to Verse 2)
(Last Time Only)
          C9
                                     E-7
It's been given to you through the Blood,
            E-
                                 D9
```

Through the precious Blood of Jesus.

Freedom to take away

G D9 A7

All the weights and burdens upon you.

B- A/C# I

Oh, what pow'r is there

E-7 A9 D9

In the cleansing Blood of Je - sus?

D E-7 C9

Pow'r to wash away

E-7 G A A7

All the stains of guilt and shame on you.

(Sing Chorus again 2X)

(Bridge)

E- E-

He was wounded, for our transgressions,

E-7 B- Asus11 A

He was bruised for our iniquities.

 \mathbf{E}

The chastisement of our peace was upon Him

A-7 E- C9 Asus A

And by His stripes we are healed!
